

Appendix C. Galveston Bay Invasive Species Risk Assessment Survey Form

.....

Galveston Bay Invasive Species Survey 2002

Date:

Organization Information

1. What programs of your organization address the issue of invasive species?

Program Name	www Address	Contact Person	Phone Number	Email Address	Geographic Focus (Texas, Galveston Bay, etc.)

2. Does your agency maintain an invasive species database? Yes No

Is it public domain? Yes No

How can it be accessed? Please be specific (e.g. web address or contact person and phone number)

3. Does your agency maintain geographic (GIS) data on invasive species observations in the Galveston Bay watershed? Yes No

If yes, how can this data be accessed? Please be specific (e.g. web address or contact person and phone number)

4. What invasive species-related work does your agency perform in the Galveston Bay watershed (Check all that apply)?

Appendix C
Galveston Bay Risk Assessment Survey Form

- Monitoring/Assessment
- Management/Eradication
- Cataloguing/Database management
- Research
- Regulation
- Restoration of invaded habitat
- Public outreach/education
- Other _____

5. Describe your agency's taxonomic focus as it relates to invasive species (Check all that apply):

- Bacteria
- Viruses
- Terrestrial plants
- Aquatic plants
- Invertebrates
- Fish
- Reptiles
- Amphibians
- Birds
- Mammals
- Other _____

6. Please use the table below to:

- List the invasive species that you or your associates have observed in the Galveston Bay watershed.
- By what vectors or invasion routes do you believe these species were introduced?
- If applicable, please let us know who we should contact for follow-up information.

Note: Please add more lines to the table as needed (highlight a row, right click the mouse, and choose Insert Row).

Observed Invasive Species	Introduction Vector(s) and /or Route(s) (e.g., ballast, plant nurseries, etc.)	Who should we contact for further information?

7. Referring to the invasive species you listed above, what control measures (prescribed fire, herbicides, etc.) does your organization use to eradicate or slow the spread of the target invasive species?

Appendix C
Galveston Bay Risk Assessment Survey Form

.....

Targeted Invasive Species	Control Measure 1	Control Measure 2	Control Measure 3

8. Please list any reports that your agency has produced regarding invasive species in the Galveston Bay watershed (Title, Author, Year, Report #).
